Re: Public Records Request received January 22, 2019

Dear Josh:

This letter responds to your immediate disclosure request for public records received via email by the Mayor's Office on January 22, 2019.

Specifically, you made the following request:

"I am requesting copies of all of Healthy Street Operations Center's zone-based plans.

The documents should include, but not be limited to, plans for each zone, the tactics developed to address the issues in each zone and the performance measures developed to measure effectiveness of the plans."

Response dated February 5, 2019

We received your request and previously invoked an extension of time to respond of up to 14 days under Government Code § 6253(c) and San Francisco Admin. Code § 67.25(b) because of the need for consultation with other city departments. We have conducted a search for responsive documents and consulted with the appropriate city departments.

Please see the attached records responsive to your request.

If you have any questions regarding your request or would like to send another sunshine request, please do not hesitate to contact the Mayor's Office at mayorsunshinerequests@sfgov.org.

Sincerely,

Hank Heckel
Compliance Officer
